Seeking Outpatient Mental Health Provider

We are seeking a passionate, self-driven, empathetic individual with a desire to make a difference in people's lives. As a Licensed Behavioral Health Counselor, Social Worker or Psychologist you will be part of a team that is helping to provide needed outpatient treatment in our community. No need to worry about the billing, support, referrals or daily operations, join a well-established team of psychiatrists, psychologists, counselors and social workers.

We are looking for candidates with a wide range of experience to work with patients of all ages and clinical needs. The position has the option to be contract or hourly and allows the candidate to set their schedule. Outstanding billing and office staff which provide a comfortable and supportive work space. Large number of referrals per month to easily build and maintain a sufficient case load. Fenton Wellness encourages work-place longevity and long-term stability.

Responsibilities

- Provide behavioral health services to individuals and/or families using multiple forms of therapeutic approaches, including psycho-educational models, evidence based practices and medical/illness models of assessment and diagnosis
- Work with individuals and/or families to address issues such as depression, addiction/substance abuse, stress, and problems with self-esteem
- Maintain up-to-date clinical documentation using an EHR system
- Participate in treatment planning with a multidisciplinary team
- Ensure adherence to accreditation standards and ethics of confidentiality

Requirements

- Master's Degree or higher required
- Fully Licensed in Michigan as LMSW, LPC, or LP
- Self-motivated and detail-oriented
- Ability to maintain composure and exercise sound judgment and discretion
- Strong verbal and written communication skills.

Benefits

- Flexible Hours
- Strong Support Staff
- Fun Working Environment
- Career Development & Growth Opportunities
- Ability to Opt-in to Group Medical and Vision Coverage
- Option for Contractual rate pay or W2 employment
